This topographic map illustrates a valley with a river flowing through it. The map is overlaid with various colored and hatched areas representing different levels of conflict potential with natural spaces. A large red-hatched area is located in the upper left, while a large orange-hatched area covers the right side of the valley. A smaller red-hatched area is visible in the lower right. The river is depicted in blue, and the surrounding terrain is shown in shades of green and brown. Infrastructure projects are marked with red lines and labels: 'Strasse oberirdisch' (above-ground road), 'Brücke' (bridge), 'Tunnelstrecke' (tunnel section), 'Böschung' (embankment), and 'Lichtschuttwand' (light shield wall). Existing buildings and structures are shown in white with black outlines. The map includes a legend in the top left corner, a title block in the bottom left corner, and a north arrow in the center. The title block contains the following information: 'Gemeinde Zereze, Such', 'Verkehrsleistungsprojekte', 'Variantenstudie', 'V0+', 'Situation 1:2000 - Längenprofil 1:2000/400', '1:2000/400 - Längenprofil 1:2000/400', 'metron', 'Stalrain 2', 'Postfach', '5201 Brugg', 'Schweiz', 'info@metron.ch', '1-41 58 40 91 11', 'Proj. Nr. 17.21-154-01', 'Plan-Nr. 009', 'Datum 24. Okt. 2023', 'Rev. Datum', 'Gez. / Gepr. sah / ...', 'Format 1050 x 1180 mm', 'Bj. 100'.
